Falcon 520

LEISURE / COMMERCIAL / RESCUE / PATROL / MILITARY

The Falcon 520 has the best combination of deck space for its class, as well as great handling characteristic—it makes the 520 our most popular model to date. Either a family boat, or a commercial workhorse, the 520 has been tested through time.

Built with the latest technologies available in modern boating, including exceeding the international safety standards of ISO 6185-3, the Falcon 520 is designed to last a lifetime while offering a wide variety of custom layouts for your specific use.
